

## Patient Update

Feb 16<sup>th</sup>, 2024

Dear patients,

We are writing to share a few updates about the upcoming long weekend, reminders about the importance of vaccinations, including where to get COVID vaccines in the community, and some upcoming patient focused workshops on income security.

### Clinic Updates

Our Clinics will be closed on Monday Feb 19<sup>th</sup> to observe Family Day. There will be an **Urgent Care Clinic – Monday February 19 from noon – 4 p.m.** at the Wellesley – St. James Town Health Centre (95 Homewood Ave.) Phone: 416-864-3096

If you have an urgent concern at this time, please call the clinic to speak with a member of the team. Phones are open noon – 3:30 p.m.

For more information about our evening and weekend urgent care clinics and afterhours care, please see our [website](#).

### Health Promotion Updates

#### *Vaccination Reminders*

We want to remind you about the importance of staying up to date with your vaccinations. Vaccines are an important part of keeping you, your loved ones, and your community safe from preventable illnesses. We strongly encourage you and your family get all your recommended vaccines to help keep your family and community healthy.

If you are unsure about if you or your child are up to date with your vaccines, book an appointment with your provider to review your health records and have conversations to address any health concerns or questions.

We recommend viewing the resources about vaccines on [Toronto Public Health's Website](#). Here you can find information about different vaccines recommended based on age, and options for where to get these vaccines.

They also have some great videos from their [Kids Talk Vaccines](#) campaign, which has videos about kids getting their vaccines and why they think it is important.

### **COVID Vaccines**

We unfortunately do not offer any COVID vaccines in our clinics at this time. There are many community pharmacies that offer this vaccine. We recommend connecting with your local community pharmacy to find out if they offer COVID vaccines.

Not all pharmacies provide these vaccines for children under 5. If your child needs their COVID vaccine, please see the list of Toronto Pharmacies offering COVID vaccines for this age group. We recommend calling the pharmacy to ensure this information is accurate.

Toronto Public Health is also offering COVID vaccines and other school-aged children catch up vaccines. **Clinics are by appointment only, and are open Tuesdays, Wednesdays, and Thursdays from 12:30 p.m. to 6:30 p.m.** for the rest of the school year at the following locations:

- Etobicoke Civic Centre: 399 The West Mall
- Scarborough Civic Centre: 150 Borough Drive
- North York Civic Centre: 5100 Yonge Street

**To book an appointment for school catchup vaccination:** [Toronto Public Health Appointment Booking System – City of Toronto](#)

**To book an appointment for pediatric COVID-19 vaccination:** [Toronto Public Health - COVID-19 Immunization Clinics \(frontdesksuite.ca\)](#)

### **Community Program Updates**

We are happy to share two workshops being offered to all patients in March and April. You do not need to be a patient of the Family Health Team to sign up for these sessions. These sessions will be facilitated by our Income Security Worker, Naomi Berlyne.

#### **Seniors Pension Workshop**

Date and time: Monday March 4, 2024 at 3:00 p.m. to 4:00 p.m.

# St. Mike's Academic Family Health Team

# Seniors Pension Workshop

You will learn about financial assistance you may receive once you turn 65. This interactive workshop is free to all patients, families and community members.

This presentation will discuss:

- Old Age Security (OAS)
- Canadian Pension Plan-Retirement (CPP-R)
- Free and low cost services for seniors

**Date and time:** Monday March 4, 2024 at 3:00 p.m. to 4:00 p.m.

**Presented by:** Naomi Berlyne – Income Security Health Promoter

**In-person:** If you would like to attend this program in-person, sign up with our staff or email [PFLC@unityhealth.to](mailto:PFLC@unityhealth.to)

**Location:** St. Michael's Hospital - Patient and Family Learning Centre, Peter Gilgan Tower Room 1-702 (36 Queen Street East, M5B 1W8)

**Online:** You can attend this workshop online, please click the link or scan the QR code below:

[Meeting Registration - Zoom](#)

If you have any questions about the workshop, please email [Naomi.Berlyne@unityhealth.to](mailto:Naomi.Berlyne@unityhealth.to)

# St. Mike's Academic Family Health Team Ontario Disability Support Program and Ontario Works Workshop

You will learn about two income support programs that you may be able to access if you have little or no income. This interactive workshop is free to all patients, families and community members.

This presentation will discuss:

- Ontario Disability Support Program (ODSP)
- Ontario Works (OW)
- Free and low cost services for low income people

**Date and time:** Monday April 8, 2024 at 3:00 p.m. to 4:00 p.m.

**Presented by:** Naomi Berlyne – Income Security Health Promoter

**In-person:** If you would like to attend this program in-person, sign up with our staff or email [PFLC@unityhealth.to](mailto:PFLC@unityhealth.to)

**Location:** St. Michael's Hospital - Patient and Family Learning Centre, Peter Gilgan Tower Room 1-702 (36 Queen Street East, M5B 1W8)

**Online:** You can attend this workshop online, please click the link or scan the QR code below:
