### Test Zoom App on Device

Once the Zoom app is downloaded, test the audio and video by opening 'Google Chrome' on your device, and typing in *zoom.us/test*.

Tap on the 'Join' button, this will open a test call in the Zoom app.

In the next window, select 'Call over Internet' to enable microphone. Then tap 🚫 to start your video.

### Overview of Zoom Call Functions

*Volume*: to turn the volume on or off.

*More*: to access more video call options such as swap to back camera

*Stop Video:* to turn video function on or off during the call.

*Mute:* to turn microphone on or off during the call.

### Join Video Appointment

Open the video visit invite email, tap on the Zoom link, select the Zoom icon and tap 'just once' or 'always' to launch in the app.
