

The CIBC Just For Kids Clinic

Our clinic is staffed by pediatricians who provide care for all children, from newborn up to a child's 18th birthday. The clinic is located in:

The Our Lady of Mercy Patient Care Wing
3rd Floor
416-530-6611
Fax: 416-530-6482

As part of COVID-19 precautions we can only accommodate **one visitor per patient**, so please limit your visit to your child and one parent/guardian only (exception: 2 visitors for newborns up to 6 weeks)

The clinic is a good place to bring your child when they have symptoms that aren't significant enough to warrant a visit to the emergency department, such as a cough, fever or diarrhea, and you have been unable to access your child's family physician in the community.

We do **NOT** see patients at the clinic for the following issues:

- Suspected fractures
- Head Injuries
- Suturing
- Immunizations
- Mental health concerns

If your child is having difficulty breathing or is dehydrated, or for an injury that needs stitches or casting, an emergency department visit is most appropriate.

**Turn page over for directions on how to
book a JFK Clinic Spot**

CIBC Just for Kids Clinic

Alert

Temporarily Closed to Walk-Ins

The Just for Kids Clinic is experiencing a significant increase in volumes of pediatric patients. In order to minimize wait times and crowding at peak times throughout the day, we are moving temporarily to a **“save my spot” only schedule** for the clinic.

Hours of Clinic

Monday to Friday - 10 a.m. – 7:30pm

Weekends – 10 a.m. – 1:30 p.m.

All spots will open will open for booking on our website each morning at 7 a.m.

Please aim to arrive 10 min prior to your appointment to allow for registration

In the event that you cannot get a “save my spot” appointment and your child is unwell, please take them to your family doctor, pediatrician, urgent care clinics, virtual ED or nearest Emergency Department.

*Please be aware that the Just For Kids Clinic is staffed by physicians who are also on-call for hospital emergencies during their clinic time. We make every effort to see patients at the time of their appointment spot, but there may be delays due to emergencies elsewhere in the hospital.

To book your spot, please scan the QR code below or go to our Just For Kids Clinic Website at: <https://unityhealth.to/areas-of-care/programs-and-clinics/childrens-health/cibc-just-for-kids-clinic/> and click on “Hold My Spot”. New spots open up daily at 7am.:

Please Note: Those with barriers to using the online “Hold my Spot” for an appointment will still be seen, however, you may be asked to return to the clinic at a later time when there are available spots.

Please do NOT call the clinic to ask about additional appointment times when no spots are available – unfortunately, the demand for spots is currently exceeding our capacity and spots are often booked within minutes of opening them up on the Website. We are actively working on increasing our resources in the clinic and will increase spots when available.
