

Steps to follow at Entrance Screening

1. **Line up:** Keep a physical distance of 2 metres or 6 feet from others in the line.
2. **Check in:** A greeter at the door will direct you to a screening station.
3. **Screen:** You will be asked questions about any COVID-19 related symptoms you may have and will be given instructions on what to do next. Check out the screening questions here: bit.ly/EntranceScreening
4. **STOP:** If you don't pass screening, you may be asked to come back on a different day.
5. **Clean hands:** Dispense and sanitizer and rub your hands for 15 seconds.
6. **Put on a mask**
7. **Proceed with your visit: Remember to maintain physical distancing in elevators, hallways and waiting rooms.**
