

FortiToken Quick Start Guide (Android)

For Remote Access to Citrix (<https://citrix.unityhealth.to>), please follow the below steps to install and use FortiToken Mobile on your Android smartphone.
Please ensure that you use a PC and Smartphone for steps 1-3.

Step 1: Download and Install FortiToken

- a) To Begin, please open the Google Play Store on your Mobile Phone

- b) Search for “**FortiToken Mobile**” in the Play Store and select Install (Circled in Red) onto your device

- c) After Installation, open the **FortiToken Mobile** Application on your phone.

Step 2: Registering FortiToken to your Smartphone

- d) You should have received an email from fortiauthenticator@unityhealth.to

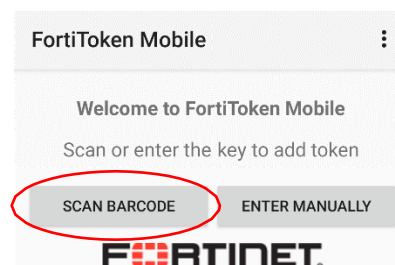

- e) Open the Email from your PC. The Email should look like the image below

- f) Attached to the email is an image file of a QR code (Example shown below). Download this file onto your computer and open it, as it will be required next.

- g) Open the **FortiToken Mobile** app on your phone. Select “**SCAN BARCODE**” (Circled in Red) and Scan the QR Code you downloaded and opened. The registration is now complete.

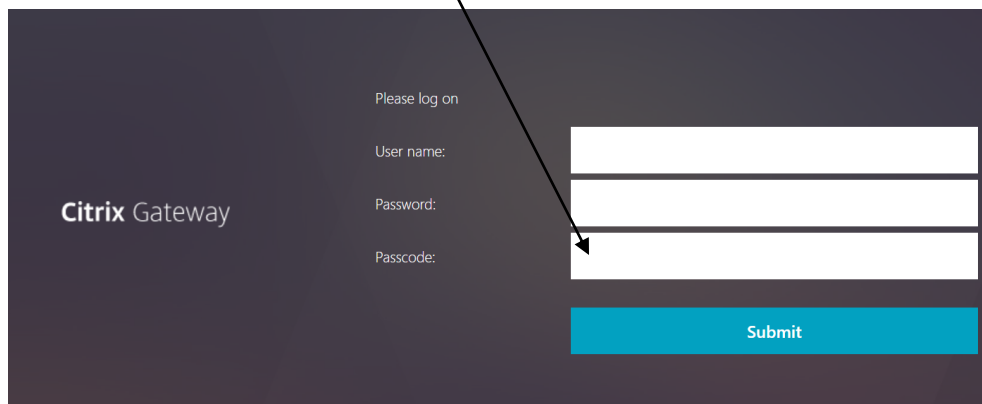

Please Note: The QR Code will expire in 1 week upon receiving the email. If you need another QR Code, please contact Helpdesk

Step 3: Using FortiToken for Remote Access to Citrix

(<https://citrix.unityhealth.to>)

- h) To begin remote access, please go to <https://citrix.unityhealth.to> on your computer and enter your Network Username, Password, and FortiToken Code to login (see below screenshot).

- i) To find the FortiToken Code, open the **FortiToken Mobile App**  and enter the 6 Digit FortiToken code as shown below
