

General Referral to the Kidney Stone Clinic

Booking office phone # 416 864-3044
(toll free at 1-800-263-2885)

Dear Referring Physician,

In order to ensure the best patient care, when booking a consultation with an urologist in the Kidney Stone Centre, **please fax** the following information to the Booking Clerk at 416 864-3045:

1. Patient Information: name, date of birth, address, contact phone number, OHIP number
2. If patient imaging was performed outside St. Michael's Hospital, please send:

CT Scan and KUB Xray report

OR

Abdominal/pelvic ultrasound and KUB Xray report

3. Most recent lab results: serum creatinine, urinalysis, and recent urine culture
4. List of recent medications
5. A brief medical history

The consultation appointment will be sent to your office, so please inform your patient of this information.

***Please ensure that the patient brings his or her images on a CD to the appointment, so that the images can be reviewed by the urologist.**

Thank you for your co-operation.
