

STEPS TO FOLLOW AT OUR ENTRANCES:

At Unity Health Toronto we are committed to keeping our patients, staff and visitors safe. When you enter our hospitals and clinics we ask that you follow these steps.

PATIENTS:

If you do not pass screening, inform your care team immediately. If possible, please call your care team for specific instructions.

VISITORS, CONTRACTORS OR VENDORS:

If you do not pass screening, you are not permitted to enter the building at this time.

Read the screening questions here: bit.ly/Self-screening

1

Clean your hands

2

Put on a mask

Ensure mask is over your nose and chin. If you are already wearing a mask, change to a Unity Health mask or put a Unity Health mask over your own mask.

3

Clean your hands again

Proceed with your visit or appointment
