

St. Michael's Hospital

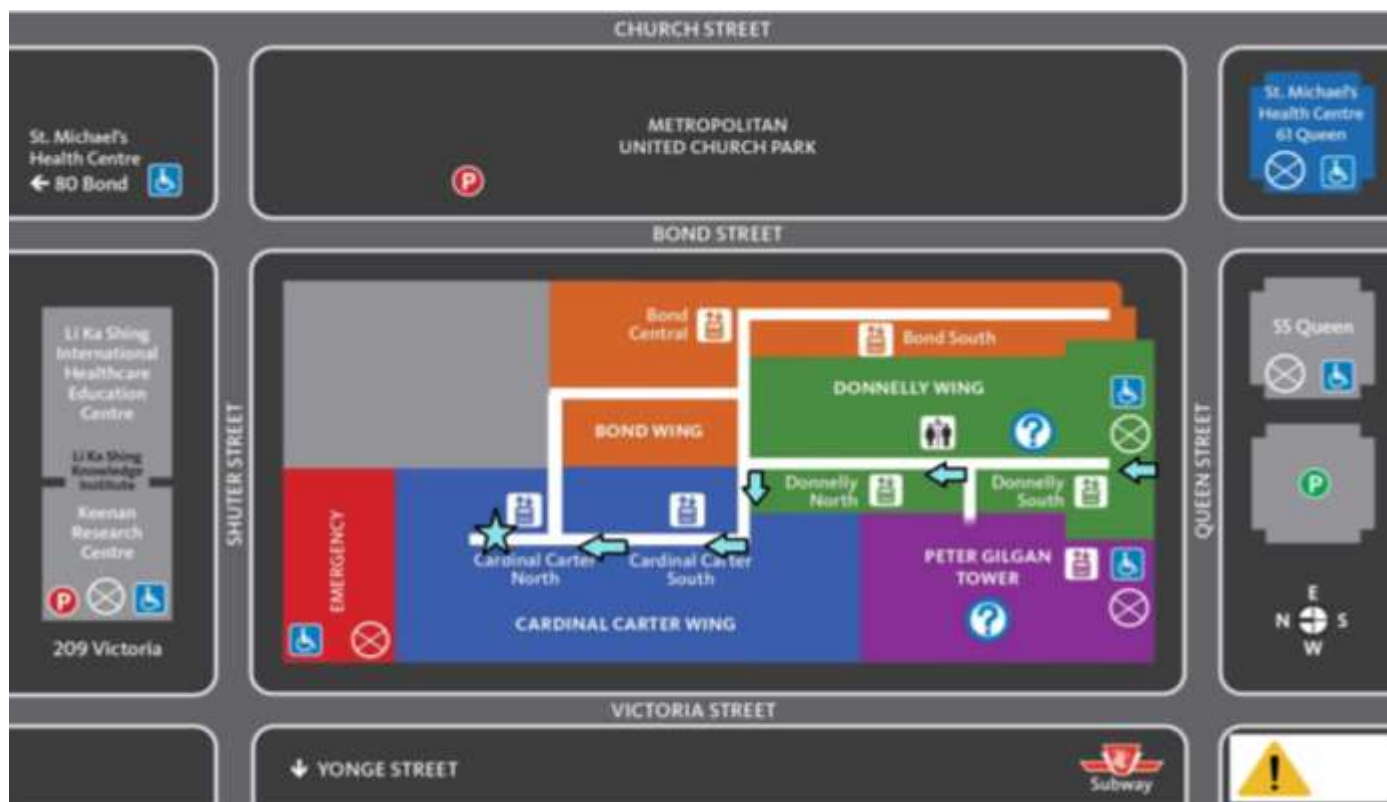

30 Bond St. (Entrance off Queen St. East) Toronto, ON M5B 1W8

Construction Alert: Please be advised that Metrolinx is doing construction work around the hospital. Queen St. between Bay St. and Victoria St. will be closed to all vehicles, but open for pedestrians. Please plan ahead for your appointment.

Parking

- There is an underground parking lot located at 209 Victoria St. on the west side of the Li Ka Shing Knowledge Institute. Please see the following link for more information <https://www.hospitalparking.preciseparklink.com/st-michaels-hospital>
- There are Green P lots across from the hospital's Queen St. entrance (multi-level parking garage) and behind Metropolitan United Church (outdoor parking lot) on the east side of Bond St.
- You can also park at the Eaton Centre, located one block west on Yonge St. at Shuter St.

Once you arrive to the hospital

Directions to the Cardiac Investigation Unit

1. Enter the hospital from Queen Street. Use the revolving doors located under the car ramp by the Second Cup coffee shop.
2. Walk straight ahead and you will see coloured lines on the floor. Follow the blue line that says 'Cardinal Carter Wing'.
3. Follow the blue line to the Cardinal Carter NORTH wing elevators.
4. Take those elevators to the 7th floor.
5. When you exit the elevators, look for the overhead sign 'Cardiac Investigation Unit (CIU) & Registration'. Proceed to the reception window to register. Please note we open at 7 AM for check in.

If you require assistance to get to this area, please utilize the Information desk at the Queen Street entrance. There are wheelchairs available at the entrance if required.

Cardiac Investigation Unit & Registration
416-864-6060 x 6126

Please see the image above for a guideline on how to get to the Cardinal Carter North wing when entering from Queen Street. It is marked by the blue arrows on the map.

Screening, masking and visitor policy

Please click the following link for information regarding Unity Health's visitor policy

<https://unityhealth.to/patients-and-visitors/visitor-information/visitor-policy/>

Visitors/ECPs entering the hospital are expected to follow screening requirements. Do not come to the hospital if you are feeling unwell, have any symptoms of COVID-19 or have had COVID-19 in the last 10 days. This is essential to keeping your loved ones, patients and staff safe.
