Instructions

Do not visit if you are unwell

Non-essential visits should be delayed where possible

- Clean your hands on entry/exit
- Do I need to wear a mask? ☐ Yes ☐ No
- Additional measures may be in place; check in with registered staff

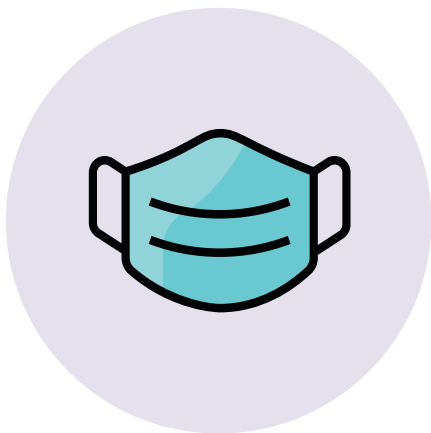

Visitors entering may be at risk of acquiring the illness and/or taking the illness home to others.

Attention Family & Visitors

Help us to control the spread of infection

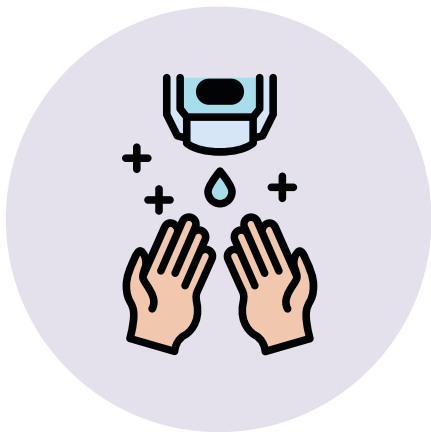

Even if you're mildly sick, delay your visit until you're better

Cover your cough or sneeze

☐ Mandatory masking is in effect*

*This box will be checked off if staff are required to wear a mask and when visitors/families are strongly encouraged to also wear one.

Clean your hands frequently
