

## **Academic Family Physician & Family Medicine Obstetrics (FMOB) Provider**

### **St. Michael's Department of Family & Community Medicine St. Michael's Academic Family Health Team**

St. Michael's Department of Family & Community Medicine (DFCM) and Academic Family Health Team are inviting applications from qualified family physicians for a **full-time academic position** that includes providing comprehensive family medicine care with a focus on **family medicine obstetrics**.

### **Qualifications and Experience**

- MD and CCFP certification
- Eligible for licensure with the College of Physicians and Surgeons of Ontario
- Fellowship or enhanced skills training in Family Medicine Obstetrics preferred
- Eligible for an academic appointment with the Department of Family and Community Medicine at the University of Toronto
- Demonstrated commitment to teaching and academic scholarship
- Experience and/or demonstrated interest in working with marginalized populations in an downtown urban setting

### **Clinical and Academic Responsibilities**

- Provide comprehensive family medicine care, including full-scope family medicine obstetrics
- Participate in the Family Medicine Obstetrics (FMOB) call group
- Teach undergraduate and postgraduate learners
- Contribute to academic activities within the department

### **About St. Michael's DFCM and Academic Family Health Team**

St. Michael's is a fully affiliated teaching hospital of the University of Toronto and part of **Unity Health Toronto**, alongside St. Joseph's Health Centre and Providence Healthcare.

The Department of Family and Community Medicine and Academic Family Health Team is a **large, dynamic, and diverse group** comprising five clinics in Toronto's downtown core, serving approximately **50,000 patients**. The physicians are members of the St Michael's Family Medicine Family Health Organization (FHO). The successful applicant may be able to join the FHO with the opportunity to build a practice under Income Stabilization if eligible.

We are deeply committed to **inner-city health**, with a mission to improve health through **advocacy, equity, and excellence in primary care, teaching, and research**.

What we offer:

- Strong academic environment with mentorship and career development opportunities
- Collaborative, interprofessional team-based care
- Well-resourced department with relatively low overhead
- Diverse and meaningful clinical work

## **Family Medicine Obstetrics Group**

Our FMOB group is:

- Highly collegial and well-supported by in-house Obstetrics and Pediatrics teams
- Structured around a home-call model (call expectations shared across the team)
- Supported by pooled billing, ensuring income stability
- Eligible for additional funding and stipends, including:
  - HOCC funding (shared across team members)
  - Teaching and supervision stipends
  - Partial reimbursement of CMPA fees related to obstetrics
- Opportunities to participate in an **early pregnancy management clinic**

## **Start Date**

Anticipated start date: **September 1, 2026**

## **Application Process**

Unity Health Toronto is committed to **anti-racism, equity, and social accountability**. We strongly encourage applications from candidates who are Indigenous, Black, or racialized; persons with disabilities; members of LGBTQ2+ communities; and others who may contribute to the diversity of our department.

Interested candidates are invited to submit:

- A letter of interest
- Curriculum vitae

**Application deadline: May 11, 2026**

Further details about this exciting opportunity available upon request.

Applications should be sent via email to:

**Dr. Curtis Handford**

Chief, Department of Family and Community Medicine

St. Michael's Hospital
